institutions and individuals of many signatures active in the broad fields of housing, urban development and planning. With a main focus on sustainable development, the Federation organizes a wide range of activities and creates opportunities for the international exchange of knowledge and experience in these professional fields. By this exchange, its aim is to promote mutual learning and inspiration, and generate new ideas amongst professionals in order to equip them to find the best local solutions to the global challenges facing housing and planning today. Among its activities, the most prominent event is the annual congress devoted to a topical theme, but they include also annual conferences, working parties, summer schools, student, film & video competitions.
